UNZILA INDUSTRY

Best Useful Tools Manufacturer

ART # UI - 1001

As the world of culinary keeps changing everyday. The late decoration is also one of the most challenging parts.

This tweezer could be used as your fingers to add any fragile items on the plate.

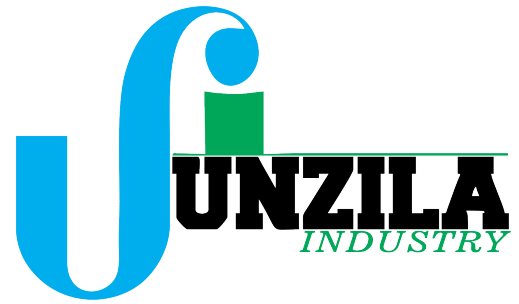

It is a stainless steel with a perfect weight and bouncing.

It is a handmade one and the company who makes this item for us is the one who supplies the tool for many dentists in London.

Weight: 33 g.

Snake Catcher

Snake Catcher – a 60-inch tool designed for safely catching snakes from a distance. Made with aluminium and a non-slip grip, it gives a secure hold. The wide jaws hold snakes of all sizes, preventing escapes. The smooth jaw grip reduces harm to reptiles, making it perfect for camping, pet handling, and separating snakes.
